

Engineering Club

Evergreen Elementary School

Bricks 4 Kidz Lego Engineering club is designed by teachers, architects and engineering professionals. The hands-on curriculum beyond the classroom is a fun and interactive way to introduce children ages 5-12 to S.T.E.M. (Science, Technology, Engineering, and Math) concepts using LEGO Bricks

Motorized Building Class

Students will work in a lab-type setting using LEGO® bricks with an integrated curriculum based on math and science. Instructional content includes concepts of friction, gravity and torque, scale, gears, axles and beams. The material covered each session will vary depending on students' ages, experience, and skill level. (**Open for Grades K-5**, maximum 30 students)

Mondays, Apr 7,14,21,28, May 5,12,19 2.30pm to 3.30 pm \$89 for 7 weeks

For more information about Bricks 4 Kidz programs, please call (626) 827-3830 or (626) 456-1560

All materials provided. Students do not take home LEGO® projects or pieces.

LEGO® is a trademark of the LEGO® Company which is not affiliated with these classes.
