

MAD SCIENCE® ENRICHMENT PROGRAM

REGISTRATION FORM

Exciting Hand-On Classes!

Bugs!

Engross yourself in entomology! Inspect authentic insect specimens. Update your insect anatomy know-how. Match-up insects with their habitats. Get bug-eyed with the Insect-A-Vision kit.

Detective Science

Help crack a case. Inspect fingerprints, mystery powders, ink samples, and teeth impressions. Create a composite from memory. Use the Scene Solver kit to build your own crime scene.

Kitchen Chemistry

Cook up a chemical reaction! Blow up a balloon with yeast. Go on a nutrient hunt. Act out digestion from start to finish. Get a glimpse of your guts-in-action with the Digestor Inspector kit.

Mad Machines

See how simple machines lighten your load! Launch with levers, secure with screws, and work with wedges. Use pulleys to move heavy objects with ease. Wind-up the Drag Racer car for some zooming action.

Movie Effects

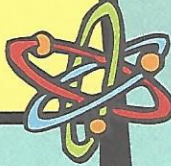

Discover why science is the real star on the big screen. Create cool sound effects. Toy with 3-D technology. Make motion pictures come alive. Sketch a short feature in the Cartoon Creator flipbook.

Science of Toys

What makes toys work? Move out of the way for motorized toys. Take a spin with kinetic tops. Balance a bird to reveal its center of gravity. A twist of the wrist sets your Yo-yo toy spinning!

Sparking Imaginative Learning

Hey Eagles!!!

Are You Ready for Some More Hands-On Science Fun?

Details: Wednesdays, starting February 21st through March 28th.

6-week program **Cost:** \$95.00 per student

Time: 2:30 - 3:30pm **Grade:** TK - 5th

The Registration Deadline is February 20th.

northorange.madscience.org

ALL REGISTRATIONS MUST BE COMPLETED ONLINE

To register for Mad Science:

1. Go to **northorange.madscience.org**, enter and click "After-School Programs," then "Register Now."
2. Select "**Evergreen Elementary**" from the location list and follow a few simple steps.
3. You will have to create an account if you have not registered with us. If you have registered through us before, use the "Edit" button to change the grade and teacher for your child.
4. Make sure to click on the box marked "select to register" after your child's name for that child's registration.
5. Choose your payment option. **We accept Visa, MasterCard, and Discover.** An email receipt will be sent to you.

No internet access or credit card?

Please call our office at (714) 482-0121 to make arrangements.

DON'T DELAY ... ENROLL TODAY!!

Important information on the back.

Mad Science Policies

- *Registrations are not accepted on the same day that class begins.* Payment and student enrollment must be made at least one day prior to the first class. **Any registrations requested on or after the first class need to contact the Mad Science office to check for space available.**
- All refund requests must be made before the second class and are subject to a \$10 processing fee.
- A minimum enrollment of 10 students is required to run the program. *If there is more than 1 class time offered, each class must meet the minimum enrollment to run at it's offered time.* Students are divided by age, as needed based on enrollment. All students of a particular grade may not be in the same class.
- If your child misses a class, it will not affect their progress in the After School Program. There are no prorates or refund for missed classes.

Student Responsibilities

- Mad Science strives to provide a fun and safe learning environment at all times. Students are required to adhere to basic behavior guidelines. All school rules are still in effect as well as Mad Science requirements. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

Parent Responsibilities

- For the safety of the children, the Mad Science pick up location is at the front of the school unless stated otherwise.
- **Please notify us when you register your child of any health issues – allergies, food or environmental, and any other issue(s) that we need to be made aware of.**

LOCATIONS THROUGHOUT THE AREA – CALL FOR THE ONE NEAREST YOU!

The illustration shows a girl on the left with blonde hair in a ponytail, wearing a red shirt and holding a microscope. On the right, a boy with brown hair and glasses, wearing a yellow shirt and green gloves, is holding a beaker with a thermometer and a small flame above it. The background is dark blue with a green border.
